機構簡介 About Us

「大埔浸信會社會服務處」前身為「大埔浸信會社會服務中心」，是大埔浸信會於2003年中在自置的教育樓中設立，於2010年1月因應機構發展和架構重整而成立了本處。我們有三大服務重點：地區綜合服務、康復服務、學校社會工作服務。機構會以非牟利自負盈虧的方法運作，目的是「以實踐基督的吩咐去服侍鄰舍」，盡力滿足社區居民對社會服務的需要。

Tai Po Baptist Church Social Service Centre was set up by Tai Po Baptist Church in 2003 and renamed as the Tai Po Baptist Church Social Service in January 2010. We have 3 core services, namely Community Integrated Service, Rehabilitation Service and School Social Work Service. The organization operates on a non-profit and self-sustaining basis, with the aim of fulfilling Christ's commandment to serve our neighbors and to meet the social service needs of residents in the community.

遠景 Vision

本著基督之精神，體現傳道、教育與社會服務合一的卓越境界。基於聖經教導，透過家庭服務及兒童教育來展示社會關懷和愛人如己的信仰基礎。促進教會一家，善用社會資源，提升教會在社會關懷的創意與效能。

In the spirit of Christ, we strive to achieve excellence in preaching, education, and integrated social service. We base on faith principles, demonstrate a foundation of social care and love for others through family services and children's education. We promote unity in the church and leverage social resources to enhance the creativity and effectiveness of the church's social outreach.

使命 Mission

聖經中記載「家庭」是神所創立的，是社會上最基本的群體單位，對培育個人的成長尤為重要。大埔浸信會社會服務處以「以人為本」的信念，提供各類型活動。

According to the Bible, family was created by God and is the basic unit of the society, crucial for fostering personal growth. The Tai Po Baptist Church Social Service is committed to a "people-centered" approach and providing various types of activities.

主席的話

Message from the Chairman

大埔浸信會二十多年前購入教育樓，地方便有有更多空間，當時弟兄姊妹『看見』社區的需要，開始了社會服務，是要回應一個耳熟能詳的比喻「我實在告訴你們，這些事你們既做在我這弟兄中一個最小的身上，就是做在我身上了。」馬太福音25：40

當一個人在困難時，我們伸出溫暖的手關懷，與困苦人同行，這是多麼美的事，這也是埔浸社會服務，成為一流通管子，將教會與社區聯繫起來，將基督的愛作美好見證，幫助有需要的人的。

今年我們慶祝大埔浸信會社會服務處成立20周年，回顧過去的二十年裡，從幾個人的小團隊，在大家的支持與努力下，發展成今天近60人的專業團隊，使我們在服務學校社區和關懷弱勢方面不斷成長發展，尤其是疫情期間，機構積極應對和迅速回應服務訴求，更讓公眾體會社服同事的熱忱與專業。

我們的服務項目不斷擴展，包括青少年潛能發展、長者關懷、社區客廳、基層家庭支援、特別需要教育(SEN)服務及照顧者服務。特別是對於有特殊需要的兒童，我們全方位的社會工作及督導服務全面支援學校教師及家長，幫助他們舒緩壓力、致力建構幸福校園。同時，我們也重視照顧者的需求，提供必要的支援和培訓，讓他們能夠在愛中轉化，建立健康的身心靈。

在堂校社策略方面，我們積極加強教會、學校及社會服務之間的聯乘，促進資源共享與合作，這正是我們以基督的愛去服務社區的具體體現。我們相信，透過這樣的合作，能更全面地回應社區的需求，讓更多的人體驗到彼此相愛的精神。

2023年12月9日我們20周年感恩分享會，各界同行好友、社福同業、政府代表、議員、新界地區人士、校長教授、基金商界等等，都齊來恭賀我們，小小的一間NGO得蒙這麼多的祝福加持，深感榮幸。

社服的快速發展，離不開義工和員工的辛勤付出，正如聖經所教導我們的，彼此相愛，共同承擔。期望未來我們共創更多的可能，讓基督的愛在我們的社區中閃耀。

埔浸社會服務能否發揮在社會中的功效，有賴我們每一位樂意靠主恩典，接受祂託付我們在地上的使命。在此鼓勵大家多關心你身邊的人需要，接受裝備，積極參與社區的與人同行的行列中，主必賜福給予你，使你經歷幫助別人的喜樂，也能藉此使自己更成長、成熟！

願主堅立社服所作的工，願榮耀全歸主耶穌！

曾家石執事

Mr. Tsang Ka Shek

Over 20 years ago, Tai Po Baptist Church purchased an education building to create more space for ministry. At that time, our brothers and sisters recognized the needs of the community and began social services in response to the well-known saying, "Whatever you did for one of the least of these brothers and sisters of mine, you did for me" (Matthew 25:40).

When someone is in difficulty, reaching out with a warm hand to care for them and walking alongside those in need is a beautiful act. This is the essence of Tai Po Baptist Church's social services: to serve as a vital link connecting the church to the community, to bear witness to Christ's love, and to help those in need.

This year, we celebrate the 20th anniversary of the Tai Po Baptist Church Social Service. Over the last two decades, we have grown from a small team into a professional group of nearly 60, thanks to a widely based supporters. This growth has allowed us to enhance our services for the school community and vulnerable groups, particularly during the pandemic, when we swiftly adapted to meet special service demands, demonstrating the dedication of our staff.

Our services now include youth development, elderly care, community lounges, grassroots family support, special educational needs (SEN) services, and carer support. For SEN children, we provide essential support to their teachers and parents, helping them to create a positive school environment. We also prioritize carer needs with training and resources for them.

Through our church-school-society strategy, we strengthen collaboration between the church, schools, and social services, reflecting our commitment to serve the community with Christ's love. This collaboration enables us to better address community needs and share the spirit of loving each other.

On 9 December 2023, our 20th Anniversary Thanksgiving Sharing Session was attended by friends from all walks of life, social welfare professionals, government representatives, legislators, people from the New Territories, presidents and professors, charity foundations and business community, etc., all to congratulate us. We are so proud to receive so many blessings and good will from the society.

Our growth is made possible by the hard work of our volunteers and staff, guided by the biblical principle of loving one another. We look forward to creating more opportunities together in the future, allowing Christ's love to shine in our community. He effectiveness of Tai Po Baptist Church's social services in the community relies on each of us being willing to embrace the Lord's grace and fulfill the mission He has entrusted to us.

I encourage everyone to be attentive to the needs of those around you, seek opportunities for training, and actively engage in community outreach. The Lord will bless your efforts, allowing you to experience the joy of helping others while fostering your own growth and maturity.

May the Lord strengthen the work of our social services, and may all glory be given to the Lord Jesus!

總幹事的話

Message from the Director

吳健文先生
Mr. Ng Kin Man

幾年疫情終於過去，2023年是踏入新常態的一年，新鮮空氣，沒口罩遮擋的面孔，自由進出，這些事物原來何等寶貴。疫情期間對於社福界的打擊很大，很多服務都不能進行，我們同事機動應變將各項服務改成線上進行，持續支援及陪伴服務使用者度過最艱難的時刻。

自疫情結束，社區的需要亦發生很大的改變。幾年的社會事件和疫情，社會需要休養生息，需要療癒，也趨使我們重新整合服務再出發。埔浸將各項服務整合成為三大核心服務，分別是地區綜合服務、康復服務和學校社會工作服務，為服務使用者及各相關界別提供多元化及創新的服務體驗。

在2023年底，我們迎來好消息，利希慎基金和社創基金資助本處設立了一個新的社企，也是我們第4個部門，讓我們擁有全港首部5.5噸電動共融社會服務體驗車，專為居於偏遠地區的家庭和各校園的學生提供SEN訓練及共融服務。這資金和新項目的誕生對於我們機構是很大的肯定和鼓舞。

這也是我們首次踏入社會企業領域的里程碑，也意味著我們將面對自負盈虧的運作模式，這對我們而言無疑是巨大的挑戰。然而我們擁有一支活力十足、互相信任、充滿熱誠的團隊。大家的支持和努力，成為我們不斷前行的動力！流動體驗車的啟動，只是一個里程，也是一個起點，期待有更多的項目，更多來自商界、教育界、社福界的同行者，為更多有需要的群體帶來切實的幫助和改變。

讓我們攜手共進，共同為未來而努力！

After several years, the pandemic has finally come to an end. The year 2023 marks our entry into a new normal, where the fresh air and unmasked faces, along with the freedom of movement, remind us of how precious these experiences are. The pandemic severely impacted the social welfare sector, leading to the suspension of many services. Our team demonstrated remarkable adaptability by transitioning various services online, ensuring continued support and companionship for service users during their most challenging times.

With the conclusion of the pandemic, the needs of the community have undergone significant changes. The social events and health crisis of recent years have created a demand for healing and recovery, prompting us to re-evaluate and integrate our services for a renewed approach. We have consolidated our offerings into three core areas: Community Integrated Services, Rehabilitation Services, and School Social Work Services, providing diverse and innovative experiences for our users and stakeholders.

As we approach the end of 2023, we are pleased to announce the establishment of a new social enterprise, supported by the Lee Hysan Foundation and Social Innovation Fund. This initiative represents our fourth department and includes Hong Kong's first 5.5-ton electric inclusive social service experience vehicle, specifically designed to provide Special Educational Needs (SEN) training and inclusive services to families in remote areas and students across various campuses. The funding and launch of this project serve as a significant recognition and encouragement for our organization.

This milestone marks our inaugural entry into the realm of social enterprise, which entails adopting a self-sustaining operational model—an undoubtedly substantial challenge for us. However, we are backed by a dynamic, trusting, and passionate team. The support and efforts of everyone involved fuel our continuous progress! The launch of the mobile experience vehicle is merely a milestone and a starting point. We look forward to more projects and partnerships with the business, education, and social welfare sectors to bring tangible assistance and change to those in need.

Let us work together toward a better future!

業務總監的話

Message from the Chief Business Officer

羅碧君女士
Ms. Chickita Law

作為一家非政府資助的非牟利社會服務機構，我們致力於不斷革新和檢討服務方向與質素，以應對智能社會的挑戰。過去機構在學童及家庭精神健康服務深耕細作，透過超過三十所學校的社工服務，為教師、家長、學生及基層家庭提供專業支持。本著聖經中記載「家庭」是神所創立、是社會最基本的群體單位，我們始終堅守「以人為本」的信念，以謙卑的心執行各項工作。

疫情改變了家庭和各行各業的運作模式，促使我們加強內部及外部的協作。跨界合作不僅提升服務質量，也是機構持續發展的關鍵。透過與教會、政府、學校、商界及地區組織的聯合，我們能更有效地整合資源，共同應對社會挑戰。2023年10月我們與香港救助兒童會合辦的【幸福校園研討會暨幸福兒童友善校園頒獎禮】，由代表立法會功能界別(教育界)、特殊學習需要專業以及學校校長向各學校教職員分享營造正向校園文化和構建兒童友善空間的心得，展示跨界別合作的成果。

我們將持續強化各服務單位之間的協作，提高工作效率和減少浪費。我們也會邀請各界專業人士來分享行業知識，提升團隊的創新力、適應力、溝通技巧和領導才能等。今年3月的《社會服務X社會經濟》培訓工作坊，幫助同事理解經濟理論在社會服務效益提高的應用。未來我們將持續在員工培訓和工作流程優化方面投放更多資源。

展望未來，我們將在鞏固核心服務的同時，探索新的服務方向。持續進步和學習將幫助我們在不斷變化的環境中保持競爭力，更好地滿足社區各方需求。今年我們積極參與豐盛社企學會的培訓與指導，以知識和經驗推動社會企業及社會創新，培育我們第一個社企項目。

感謝所有同事和合作夥伴的辛勤付出，讓我們攜手迎接未來的挑戰，擁抱創新和知識轉型，以新思維推動幸福校園、幸福家庭和幸福社區。願主的旨意成就，阿們！

As a non-subsidized NGO, we are dedicated to diligently and continuously improving our services to address the challenges of a changing society. We have been focused on mental health support for children and families, providing professional assistance to teachers, parents, students, and low-income families through social work services at more than thirty schools. Guided by the belief that the family is a fundamental unit of society, as outlined in the Bible, we remain committed to a "people-centered" approach and carry out our work with humility.

The pandemic has transformed the way families and various sectors operate, prompting us to enhance both internal and external collaboration. Cross-sector partnerships not only improve service quality but are also essential for our organization's ongoing development. By working with Churches, the government, educational institutions, schools, businesses, and community organizations, we can better integrate resources and tackle social challenges together. In October 2023, we co-hosted the "Happy Campus Seminar and Award Ceremony for Child-Friendly Campuses" with the Save the Children Hong Kong. This event featured insights from representatives of the Legislative Council's education sector, special education professionals, and school principals on fostering positive campus cultures and creating child-friendly environments.

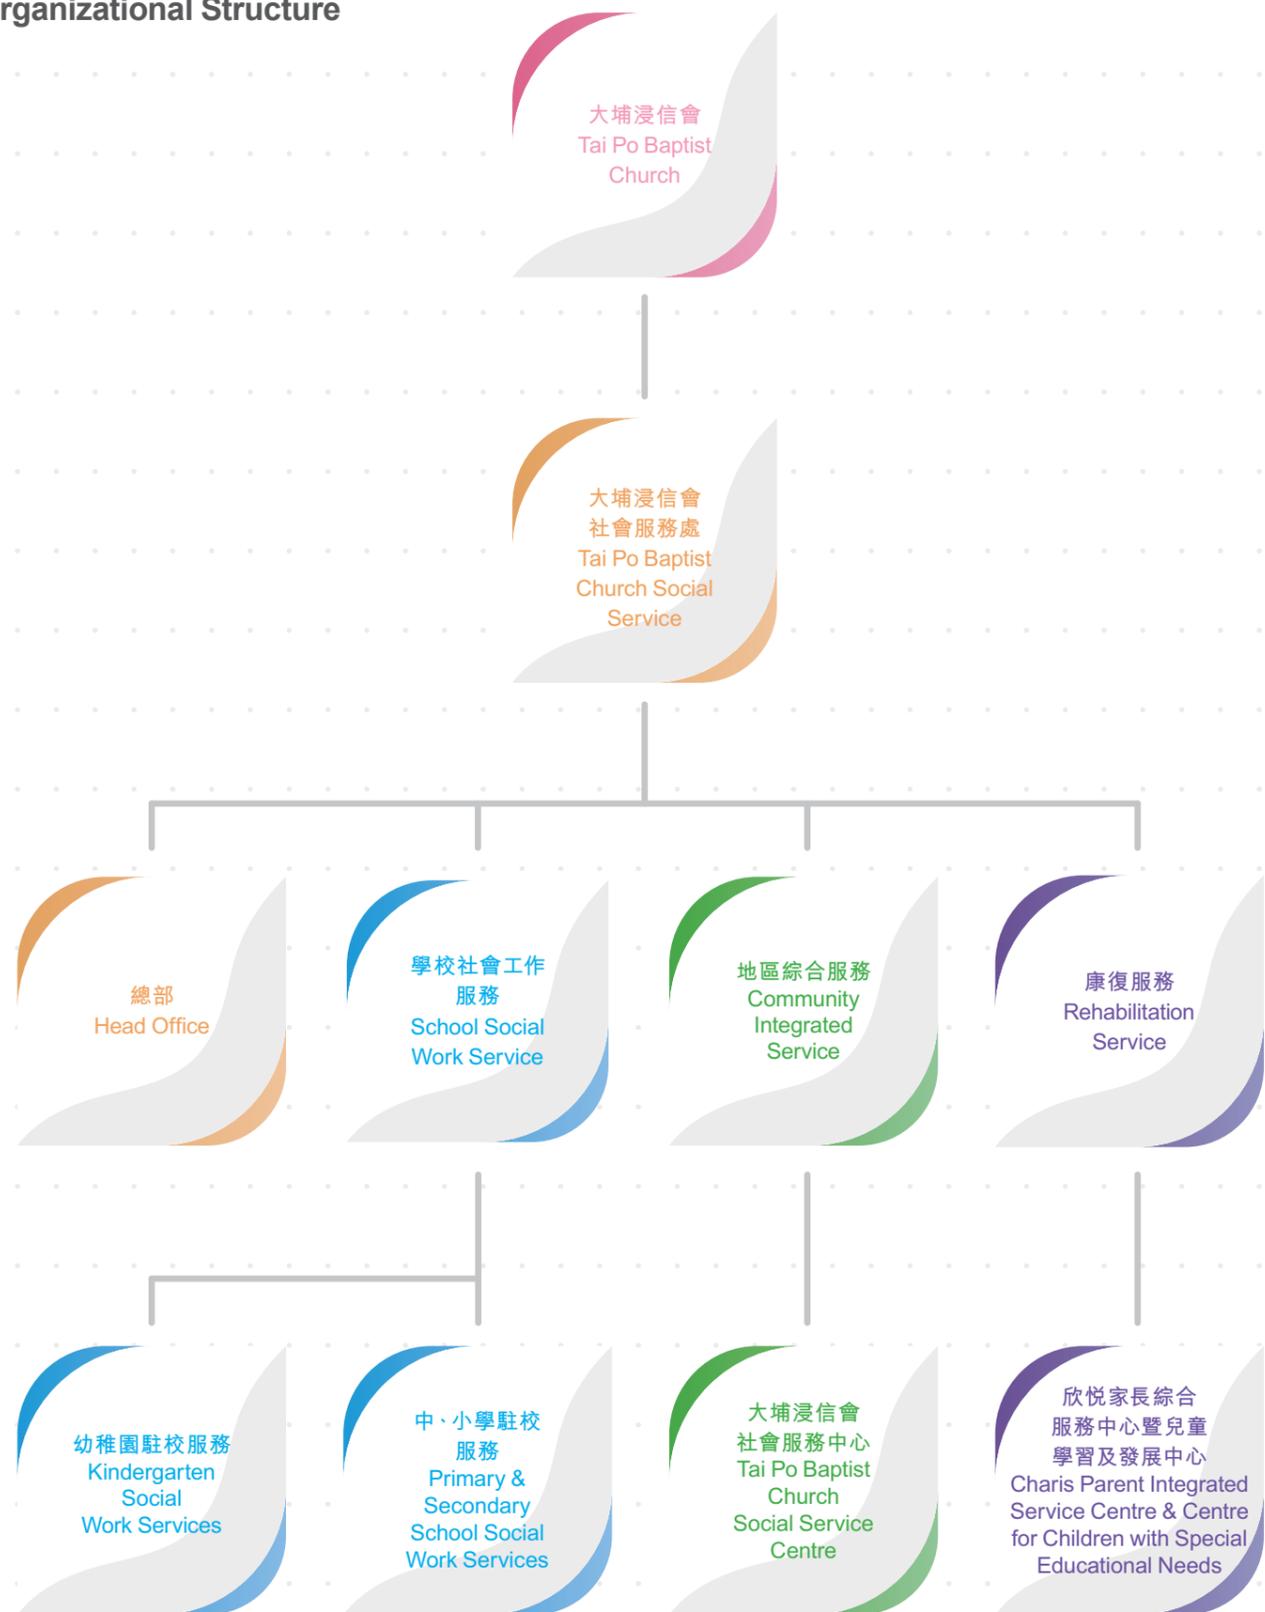

We will continue to strengthen collaboration among our service units to enhance efficiency and reduce waste. Additionally, we will invite professionals from various fields to share their expertise, helping our team improve innovation, adaptability, communication skills, and leadership. Our training workshop on "Social Services X Social Economy" in March 2023 helped colleagues understand how to apply economic principles to improve the effectiveness of social services. In the future, we will invest more resources in employee training and process optimization.

Looking ahead, we will strengthen our core services while exploring new opportunities. Continuous learning and improvement will help us maintain competitive in a dynamic environment and better meet the needs of our community. This year, we start working with the Fullness Social Enterprises Society to support social enterprises and social innovation and finally gave birth to our first social enterprise project ZebraGo.

We appreciate the hard work of all our colleagues and partners as we face future challenges together, promoting happy campuses, families, and communities. May the Lord's will be done, Amen!

社聯會議暨香港社會服務巡禮 2023

HKCSS Convention cum Hong Kong Social Service Expo 2023

香港社會服務聯會(社聯)今年度(2023)踏入成立75周年,社聯於2023年2月舉行第三次「社聯會議」,以「凝聚·共建」為主題,集合逾500間機構會員,以及業界及各持份者的智慧和意見,辨識重要的社會議題,提升社會效益和共同創建解決社會問題的方案。

社聯於同日舉行「香港社會服務巡禮」,作為年度重點活動,期望建立平台讓不同界別進一步認識社會服務,並積極參與其中,包括商界、醫護界、教育界、專業團體及基金會的持份者,攜手共創更多具前瞻性與高效的項目與手法,以回應社會需要。

當日「香港社會服務巡禮」順利舉行,吸引業界超過7,500人次參與。這次活動成功推廣了「斜槓族」的意念,讓業界更加認識到,照顧者(Slash)能以自身能力達到自我實現。希望得到大家的支持。

在這次活動中,「咖啡角落」和「GEL甲區」為大眾提供了親身與義工交流的機會。參加者們也寫下字句,為SEN照顧者送上祝福。

=====

「斜槓」不再是年輕人的專屬。經由資深導師的深度培訓,照顧者能達至自我實現的深層需求。不僅僅是照顧者,他們也能同時發展自己的事業和興趣。

To commemorate the 75th anniversary of the establishment of HKCSS, the 3rd HKCSS Convention was held in February 2023 with the theme of "United for an Inclusive Society". Over 500 agency members and stakeholders from welfare and other sectors will engage in knowledge and insight exchanges, on issues such as identifying key social agenda, enhancing social impacts and co-creating solutions to address social issues.

Hong Kong Social Service Expo was held in parallel with the Convention. As an annual signature event of HKCSS, it aims to build a platform for various sectors such as business, medical, education, professional bodies, and charitable foundations to learn more about the welfare sector, and to co-create innovative, visionary and effective solutions in response to evolving social needs.

The "Hong Kong Social Service Expo 2023" was successfully held, attracting over 7,500 participants from the industry. This event successfully promoted the concept of the "Slash Generation," helping the industry understand that caregivers (Slash) can achieve self-realization through their own capabilities. We hope for everyone's support.

During this event, "Coffee Corner" and "GEL Nail Zone" provided the public with opportunities to interact with volunteers in person. Participants also wrote messages to send their blessings to SEN caregivers.

=====

"Slash" is no longer exclusive to young people. With in-depth training from experienced mentors, caregivers can meet the deep-seated needs of self-realization. Not only as caregivers, but they can also develop their careers and interests simultaneously.

On Friday, 19 May and Saturday, 20 May 2023, the "CARE is RIGHT Caregivers Awareness Day Seminar" and the '520 "Friendly Neighborhood" Care for You Mini-Expo' will be held at the Hong Kong Science Park in Sha Tin for two consecutive days. This event aims to raise society's awareness of caregivers, particularly in terms of caregivers' rights and equality, and to promote the importance of caregivers to the public by providing practical information and support.

研討會主題為「CARE is RIGHT」，旨在呼籲社會各界重視照顧者的權利和支援，讓照顧者能夠在照顧的過程中，擁有尊嚴、自我、保障和選擇權。研討會邀請了香港大學秀圃老年研究中心總監樓瑋群教授、美國The National Academy of Elder Law Attorneys的行政總監 Ms. C Grace Whiting, J.D.和德國的Dr. Andrea Budnick等專家學者主講，分享世界各地關於照顧者權利和支援的最新資訊，探討如何透過法律保障照顧者的權益，並讓照顧者認識非傳統面對面形的照顧方式，從而適應照顧的新常態形式。

The seminar's theme, "CARE is RIGHT," aims to call on all sectors of society to value caregivers' rights and support, allowing caregivers to have dignity, self-respect, protection, and choice during their caregiving process. The seminar has invited experts such as Professor Lui Wai-kwan, Director of the Sau Po Centre on Ageing at the University of Hong Kong, Ms. C. Grace Whiting, J.D., Executive Director of the National Academy of Elder Law Attorneys in the USA, and Dr. Andrea Budnick from Germany, to share the latest information on caregivers' rights and support from around the world. They will explore how to legally protect caregivers' rights and introduce caregivers to non-traditional face-to-face caregiving methods, helping them adapt to new caregiving norms.

除了主題演講外，研討會還設有4場平衡專題工作坊，探討與時並進的照顧者服務、為照顧者而設的針對性創新計劃、不同模式的照顧者資訊，以及商界對照顧者的資源投放等等。透過這些工作坊，照顧者和相關機構可以共同探討如何提供更好的照顧者支援服務，以及如何建立一個更友善和包容的照顧者社區。研討會也將設有展覽區，讓照顧者和公眾更能了解不同服務和資源，以提高對照顧者的認識和支持。

In addition to keynote speeches, the seminar will feature four balanced workshops that explore cutting-edge caregiver services, targeted innovative programs for caregivers, various models of caregiver information, and business sector resource investment in caregivers. Through these workshops, caregivers and related organizations can jointly discuss how to provide better support services for caregivers and build a more friendly and inclusive community for caregivers. The seminar will also include an exhibition area, allowing caregivers and the public to better understand different services and resources, thereby enhancing awareness and support for caregivers.

20周年感恩分享會回顧

20th Anniversary Review

二十年的風雨兼程，大埔浸信會社會服務處的每一步都是愛與付出的見證。這二十年，我們見證了無數家庭的改變，無數生命在愛中重燃希望。每一個微笑、每一滴淚水，都在告訴我們，這份工作的價值無法用言語衡量。

由幾個人的小隊伍發展成為60多人，有三大服務部門的團隊，不得不感恩，感謝每一位同工、志願者和支持者，你們的奉獻使這一切成為可能。未來的日子，讓我們繼續攜手同行，為更多需要幫助的人帶去愛與希望。

為慶祝這特殊的年份，我們籌劃了很多活動，出版了特刊和段片，還在12月9日舉行大型感恩分享會和聚餐，邀請所有好友共同慶祝，表達我們的感謝。在感恩分享會上，我們的服務義工和服務使用者分享了他們走過的故事和經歷，見證我們「以愛燃亮共譜恩光」的承諾與服侍，活動上一系列豐富多彩的遊戲和項目成果展示攤位，不僅為大家帶來了歡笑和娛樂，還讓大家更深入了解了我們的服務項目和工作範疇。

20週年快樂，期待下個更加輝煌的二十年。

After twenty years of ups and downs, every step of Tai Po Baptist Social Service is a testimony of love and dedication. In the past twenty years, we have witnessed the changes in countless families and the rekindling of hope in countless lives through love. Every smile and every tear tells us that the value of this job cannot be measured in words.

We have grown from a small team of a few people to a team of more than 60 people, with three major service departments. We must be grateful to every co-worker, volunteer and supporter. Their dedication make all this possible. In the days to come, let us continue to work together to bring love and hope to more people in need.

To celebrate this special year, we organized many activities, published special report and excerpts, and held a large-scale thanksgiving party on 9 December, inviting all our friends to celebrate and express our gratitude. At the party our volunteers and service users shared their stories and experiences, witnessing our commitment and service of "light up our love and spread it around". There were a series of project results display, game booth and snack bar. Not only brought laughter and entertainment to everyone, but also gave everyone a deeper understanding of our projects and work scope.

Happy anniversary and looking forward to the next twenty glorious years.

教會的參與（堂校社合作）

Collaboration with the Church (Church-School-Community Model)

本處在同行中見證街坊鄰舍與弟兄姊妹們的成長轉化。在堂校社的配搭下，能夠招聚教會弟兄姊妹、街坊鄰舍建立互助互勉的關係，在社區中實踐好鄰舍精神，活出基督。在「堂校社模式」協作的第三個年頭，本處共動員了超過200位埔浸、富浸弟兄姊妹恆常參與在社區關懷的事工中，「堂校社模式」的協作策略重視鄰舍在愛中的成長轉化，期望打破福音對象單單是「受助者」角色，加強街坊鄰舍在教會的投入感及能力感。初信或未信鄰舍透過參與不同形式的堂校社義工活動，從受助者轉化為同行者，親身經歷「逆向福音」的旅程。

「堂校社模式」同時著重弟兄姊妹的成長，本處以社工專業配搭埔浸教牧的牧養為信徒提供裝備培訓，以基督真理及社會服務實務經驗應對日新月異的時代需要。透過「堂」「社」結合的方式，本處與埔浸外展區與服侍的弟兄姊妹同行，期望讓弟兄姊妹在付出愛的同時，更能在愛的關係中反思信仰生命，經歷生命更新及轉化。

Our organization witness a visible growth and transformation of our neighbors, brothers and sisters with this service model. With the collaboration of the church, school and community, we gathered brothers and sisters in the church and neighbors to establish mutual help and encouragement, practise the spirit of neighbor support in the community, and live out Christ love. In the third year of cooperation in the "Church-School-Community Model", our office has mobilized more than 200 brothers and sisters to regularly participate in community care ministries. The model gives great importance to neighbors. Through growth and transformation in love, we moved the position of the gospel target away from being a recipient only, empowering them with a sense of investment and contribution in the church to become a giver. Neighbors who are new believers or unbelievers can personally experience the journey of "reverse gospel" by participating in various forms of volunteer services in the school community, transforming them from recipients to fellow co-workers.

The "Church-School-Community Model" also focuses on the growth of brothers and sisters. We use the social work profession training and the pastoral care of the ministers to provide believers with knowledge and training, using Christian truth and social service experience to meet the needs of the ever-changing times. Through the combination of "church" and "community", our organization and the church outreach ministry work together with the serving brothers and sisters. While giving love, they can reflect on their faith life and experience life renewal and transformation in love.

康復服務

Rehabilitation Service

欣悅家長綜合服務中心暨兒童學習及發展中心致力為特殊學習需要 (SEN) 學童及其照顧者提供全人關顧服務，包括專業服務、潛能發展及支援照顧者三大核心服務。透過及早識別及介入，讓家長及早把握訓練黃金時期及了解學童狀況。

除專業訓練外，我們更着重發展 SEN 學童潛能，透過「科」、「音」、「體」、「藝」四大範疇發掘他們的 "SuperENergy"，展現他們自信的一面。

此外，SEN 照顧者支援亦不可或缺的，我們期望推動社會關注他們身心靈的需要，鼓勵照顧者發聲及自決，達致自我能力實現，讓照顧者也能同時發展自己的事業和興趣。

2023年5月，中心成立了 SEN 照顧者會所 "Papa and Mama's Club"，為他們提供一個喘息空間外，更會相互交流及經驗分享，還會定期舉辦不同種類的工作坊及活動，以培養個人成長，提升他們的技能和知識，實踐自我實現能力。

Charis Parent Integrated Service Center and Center for Children with Special Educational Needs is dedicated to providing holistic care services for children with Special Educational Needs (SEN) and their caregivers. Our core services focus on professional support, potential development, and caregiver assistance. Through early identification and intervention, we enable parents to seize critical training opportunities and understand their children's situations.

In addition to professional training, we emphasize the development of SEN children's potential by exploring their "SuperEnergy" through four key areas: Science, Arts, Physical Education, and Music, allowing them to showcase their confidence.

Support for SEN caregivers is equally essential. We aim to raise social awareness of their physical, mental, and emotional needs, encouraging caregivers to voice their concerns and make autonomous decisions, thereby achieving self-actualization while also pursuing their careers and interests.

In May 2023, the center established the SEN Caregivers Club, "Mama & Papa's Club," providing a respite space where caregivers can connect, share experiences, and participate in various workshops and activities to foster personal growth and enhance their skills and knowledge, ultimately practicing self-actualization.

配對探訪受訪者:

感謝義工百忙之中的探望，義工很認真地陪伴我做運動，把我當成很熟悉的朋友，即使動作不正確，都會友善糾正正確的姿勢。

同時，提醒主辦機構不要因為人數不足，減低服務時間，現在有一個鐘時間便十分合適。很多長者很孤單，有人空閒時陪伴聊天是很重要的，很多時候不用做什麼，只要陪伴就已經很重要。

Uncle Guan, who was visited by "Ageing at Home - Building a Friendly Community Project", thanked the volunteers for visiting despite their busy schedules. He thought that the volunteers took him seriously to accompany him in doing exercises and treated him as a very familiar friend, even if his exercise movements were incorrect, they will correct the correct posture kindly.

At the same time, he would like to remind volunteers not to cut service hours due to insufficient elderly participation. One hour is very suitable, because many elderly people are lonely, and it is important to have someone to chat with them when they are free.

配對探訪義工:

最初參加計劃，是覺得自己居於富亨邨已經有30年頭，但仍對社區很陌生、未有很多的歸屬感，直到有一天，在街閒逛，發現街上有許多長者居住在本區，決定認識好好認識一番。

參加「耆盼友里：居家安老-共建友善社區計劃」後，在計劃內的持續配對探訪會接觸固定幾位長者，發現長者都很喜歡說話，分享不同的事情，但他們很抗拒承認或者提及認知障礙症，義工的工作首先是陪伴長者一齊運動、學習新遊戲的玩法，讓他們慢慢練習，觀察透過遊戲達至訓練成效的進步。

嘉豪認為人總有一天會長大、會年老，提前參與長者服務，學習相關的知識，如家居安全、平安鐘、輪椅使用技巧等都是未雨綢繆，對於自己、對於將來都很需要向前走一步。

嘉豪

Kaho joined the project because he felt that although he had lived in Fu Heng Estate for 30 years, he was still unfamiliar with the community and did not have much sense of belonging. One day, while wandering on the street, he discovered that there were many elderly people living in the neighborhood. He decided to get to know each other.

After participating in the Project, the participants regularly contact elders during the matching visits in the plan. He found that the elders like to talk and share different things, but they are very resistant in acknowledging or mentioning dementia. He realize that the volunteer is not to judge the elderly's condition, but to accompany them to do exercise and learn how to play new games, let them practice slowly, and observe the progress of the training results achieved through the games.

Kaho believes that people will grow up and get old one day, so participating in elderly services in advance and learning relevant knowledge, such as home safety, safety bells, wheelchair usage skills, etc., are all preparations for a rainy day. It is necessary for everyone to prepare for the future and to move forward one more step.

配對探訪義工2:

我是一位精靈的退休人士，最初參與「認知障礙講座」時，只是希望了解多一些，但是發現「耆盼友里：居家安老-共建友善社區計劃」的持續配對探訪內容豐富，以健手操、桌上遊戲與長者做簡單訓練，不止是單單聊天。

曾經有一次感覺不良的探訪經驗，受訪者有一種你們盡快離開便好了，這種不熱情、被抗拒的感覺，讓我及拍擋感到氣餒，無法達成原定的「任務」，但反思過後，覺得有狀況出現、不理想的時間，會失落，但切勿灰心，嘗試思考，如何改變心情，再做服務時，肯用心，一樣會有好結果的。

我鼓勵同齡者可以一齊參與，因為「不是年紀大就什麼都做不了，不是年紀大就只能接受別人關注，其實我們都可以去關心身邊的人！

飛飛

Fefe is an enchanting retiree. When she first participated in the lecture on cognitive impairment, she just wanted to know more about it, but found that the continuous matching visits of "Ageing at Home - Building a Friendly Community Project" were rich in content and she would learn more about them. Aerobics, table games and simple training with the elderly are more than just chatting.

She once had a bad visiting experience. The interviewee just want to leave as soon as possible. This feeling of being unenthusiastic and being rejected made Fefe and her partner feel discouraged and failed to achieve the original task. After reflection, she feel that if a situation arises and the time is not ideal, she will be disappointed, but never be discouraged. Try to think about how to change one's mood. When she serve again, if she is willing to work hard, she will still have good results.

Fefe encourages people of the same age to participate together, because it doesn't mean that one can't do anything when getting old, nor that you can only accept attention from others. In fact, one people can also contribute in caring others.

員工培訓及發展 Staff Training and Development

本處每月最少進行一天的培訓，為各前線同工提供持續學習及進修的機會，希望透過學習實證為本的介入模式及帶領，提升服務質素。

培訓活動分成上、下午兩部份進行，上午一般安排適用性較高的內容，如企業行為與社會服務、危機家庭支援及哀傷輔導等。下午部份會以焦點小組進行，由資深社工整合經驗後就特定題目以典型或真實案例分享其實務工作經驗，以促進參加者反思及領悟。

Our organization conducted at least one day of training every month to provide all frontline staff with opportunities for continuous learning and further education. We hope to improve service quality through learning evidence-based intervention models and leadership.

Usually the training activities are divided into morning and afternoon sections. In the morning, content with higher applicability is generally arranged, such as corporate behavior and social services, support for families in crisis, and grief counseling. In the afternoon, focus groups will be held, where senior social workers will integrate their experiences and share their practical work experience with typical or real cases on specific topics to promote reflection and understanding among the participants.

員工活動 Staff Activities

本服務處在不定期舉行各類型的員工活動，例如員工聚餐及樂活坊，為各同工在繁忙的工作中，提供彼此認識、建立團隊精神及放鬆的機會。

We arranged various types of staff activities from time to time, such as staff dinners and Happy Training workshops, to provide co-workers with opportunities to get to know each other, build team spirit and relax during their busy work.

團隊退修及團建活動

Team Retreat and Team Building

我們機構一直強調有熱誠有溫度的社會服務，熱誠和溫度；愛心和服務的心志，都需要持續的力量來維繫，所以機構一直強調退修，讓大家在繁忙的項目、各種關顧的需求、細瑣的流程中抽身出來，靜思己身，連結力量的源頭，彼此連結，才能凝結在一起，做不一樣的事情。我們各服務部門和總部、主管們都有安排退修會，在暑假比較平緩的日子，各自充電，準備下一年新挑戰。

除了社會服務處各職能部門外，我們亦和母會大埔浸信會有聯合退修日，母會各堂會、屬校單位眾多，在多項服務中共同協作，彼此支持非常的重要，亦是我們能力的基石。

主管退修日(道風山) Management Retreat Day (Tao Fong Shan)

Our organization has always emphasized social services with sincerity and warmth. Enthusiasm and warmth; love and service aspirations all require continuous strength to maintain. Therefore, the organization has always emphasized retreat, so that everyone can meet busy projects and various care needs, step away from the tedious works, meditate on oneself, connect with the source of energy, and connect with each other, only then can the team unite together and go further. Our service departments, headquarters, and supervisors groups all have their own retreats. During the relatively quiet days in summer, we can recharge our batteries and prepare for new challenges in the next year.

In addition to the functional departments of the Social Service Department, we also have a joint retreat day with our mother church, Tai Po Baptist Church. There are many affiliated units of the mother church, and they work together in a variety of services. It is very important to support each other and this is the cornerstone of our capabilities.

【明報】採訪手記：脫口罩學懂「眉頭眼眼」
2023-03-14

【明報專訊】長達99天的口罩令終於在本月1日撤除，原以為市民都引頸以待，但現實卻恰恰相反，大部分人還是繼續戴口罩，校園內的情況亦相若。不過，記者卻訪問了3名「小學」校長，他們不約而同已經脫下口罩，除了因為相信本港新活疫情已經受控，背後還有象徵意義——學校要復常了！

有利學生全人發展

3名校長異口同聲表示，這兩年多，新生都戴著口罩上課，或多或少也會妨礙學習，尤以學習語言最困難，皆因學生無法透過觀察教師的口形傳授發音。將軍澳循道衛理小學校長林道濤打趣說，長年戴口罩，更會令孩子不懂得看「眉頭眼眼」，「我們常教學生要辨認情緒，但其實人家戴著口罩，人家『眼歪』、『眼圓』，又或者笑得很開心，你都不知道」，因此他認為不戴口罩，對學生的語言、情緒及人際關係等全人發展會更有利。

然而，當日戴口罩，不少人都花了更多力氣才能溝通，同樣，脫口罩亦需要時間適應，大埔浸信會社會服務處總幹事黃慧珊指出，雖然脫口罩是好事，但家長亦不能操之過急，「我們這個社會高壓，都會影響家長和小朋友的決定，但隨着口罩的功能逐漸淡化，大家在溝通或健康上的堅持會慢慢變遷，屆時願意脫口罩的人數自然增加，現在最需要做是互相尊重」。

【SUNDAY KISS】幸福校園靠6個方法建造 孩子正向返學 找尋真正幸福感

幸福校園的定義

幸福家 (Sense of happiness) 是指人們基於自身的滿足感和安全感所產生的一系列主觀的喜悅和愉悅情緒。至於幸福校園，就是學校中的所有參與者都能感受到幸福。香港救助兒童會總幹事司徒恩女士表示：「我們相信每位孩子都應該擁有幸福的未來，而身心健康的發展，有助他們具備正向思維、情緒管理、增強抗逆能力，並善於學習新技能，將幸福感融入
